Our message to the community...

With the decline in funding for High School Sports programs, Folsom Baseball Club is partnering with both the Vista Del Lago High School and Folsom High School baseball teams to host a Golf Tournament Fundraiser. All three organizations are dedicated to maintaining a strong baseball heritage within our community. The proceeds generated by the Golf Tournament will be earmarked for facility improvements at both High Schools. In addition Folsom Baseball Club is an active participant within the Folsom Athletic Association Adopt-A-Facility program. Through the Adopt-A-Facility program Folsom Baseball Club helps to rehabilitate and maintain youth baseball fields within our community. Your generous support is greatly appreciated as we work together to broaden the Baseball opportunities within our community.
